Extra bases?

DEREK JETER got to first base with voluptuous Victoria's Secret siren **Tyra Banks** at Mer-

chants NY on Monday night. Spywitnesses tell **PAGE SIX** Jeter was kissing the busy Banks at a table of 12 that included Yankee **Tino Martinez**, **Jamie Lynn-Sigler** of "The So-

pranos," and **Henry Simmons** of "NYPD Blue." "Jeter was all over her," said one eagle-eyed diner. While Banks seemed to be enjoying his affections, she declined to join the rest of the group in repeated rounds of drinks. The health-conscious hottie ordered fruit smoothies instead.
